

FIG. 1

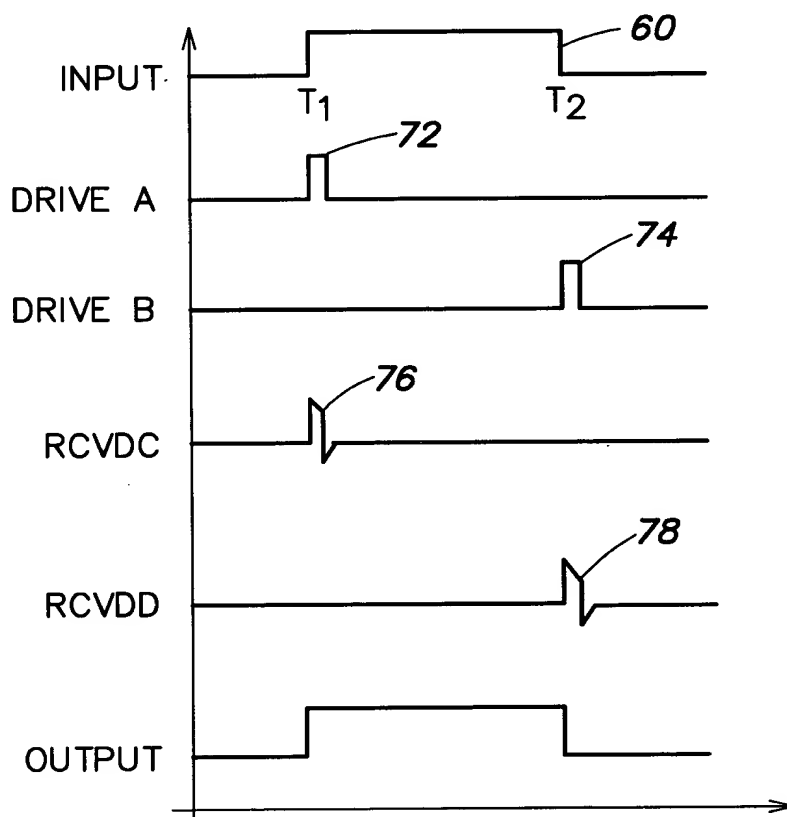

FIG. 2

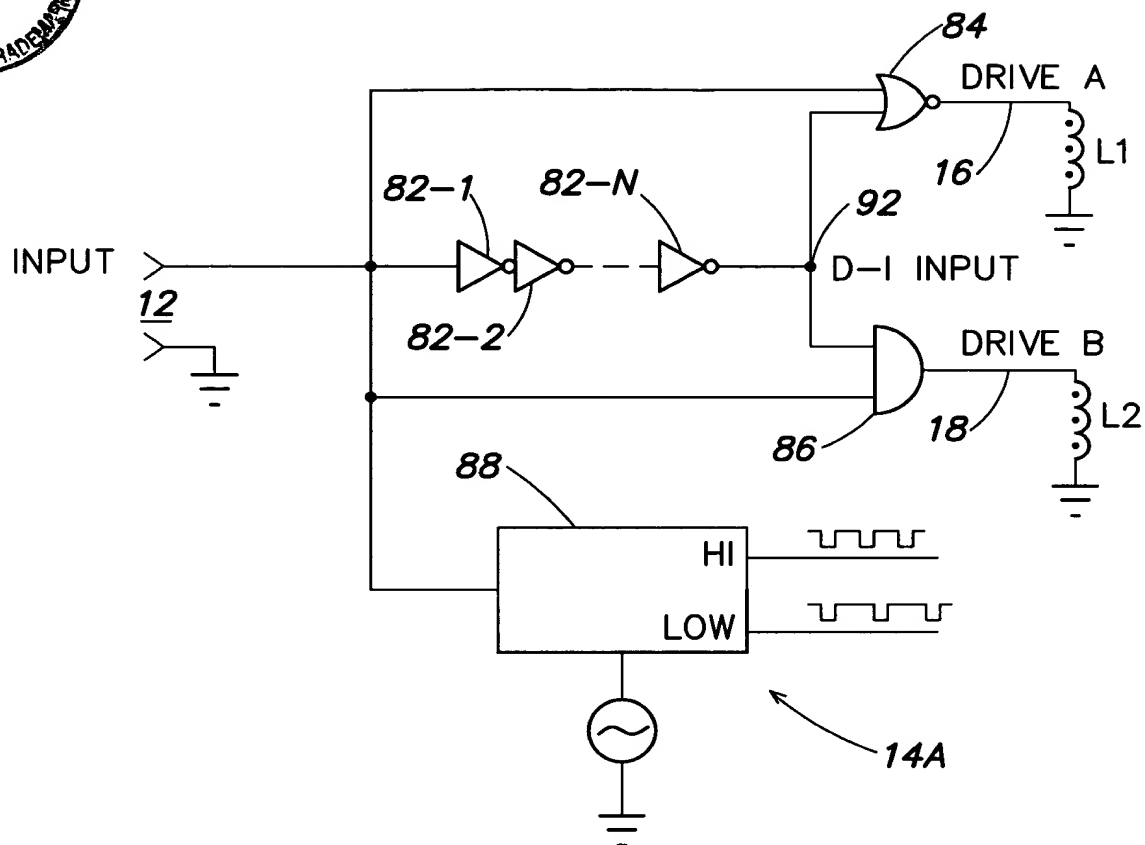

FIG. 3

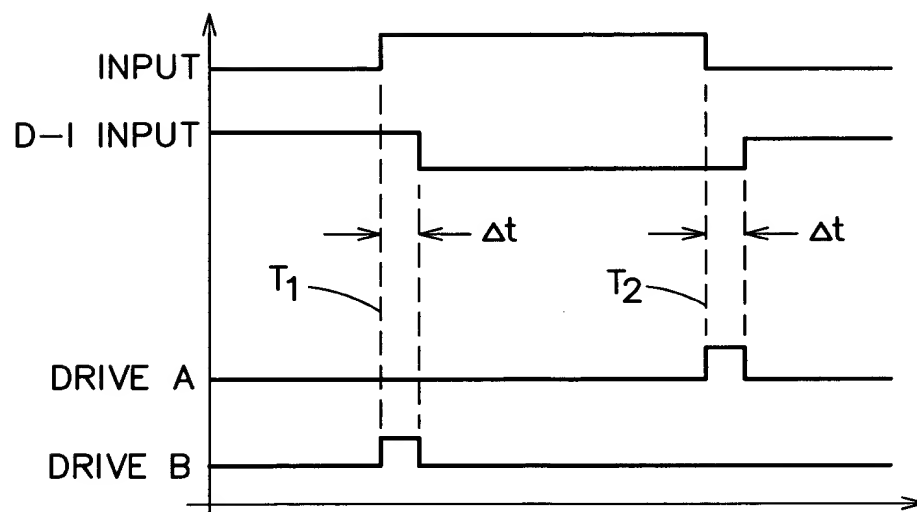

FIG. 4

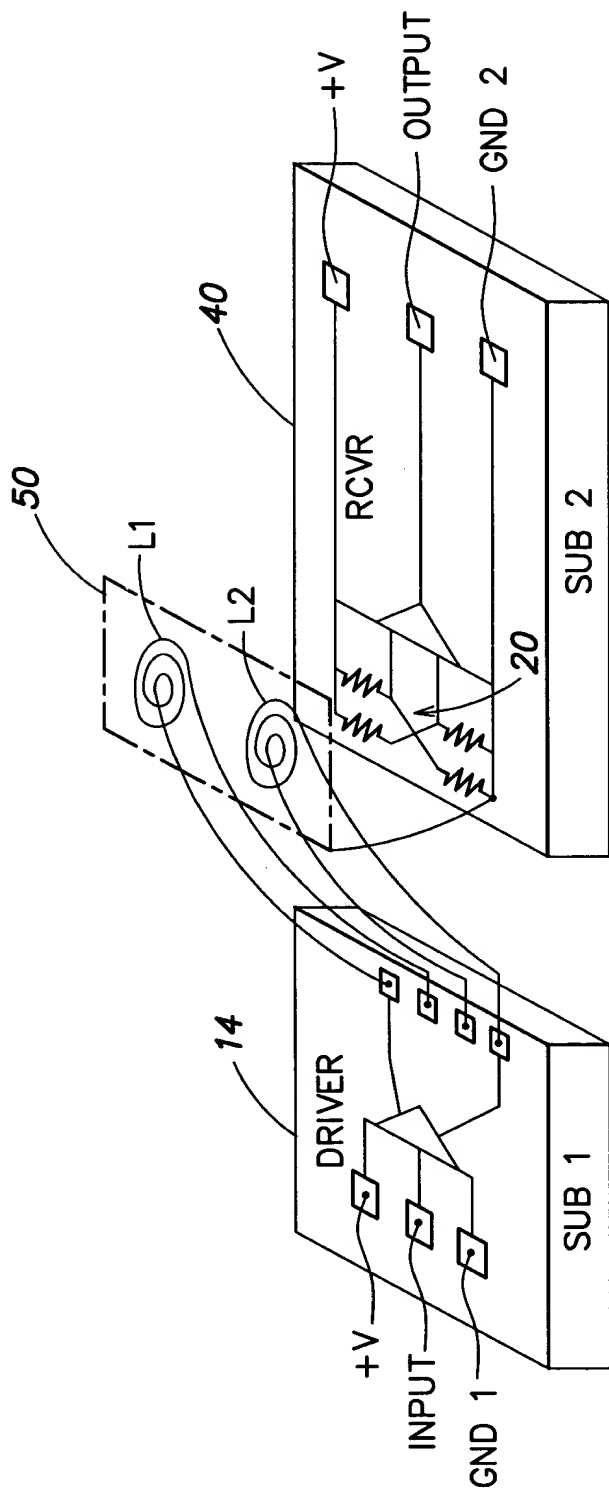

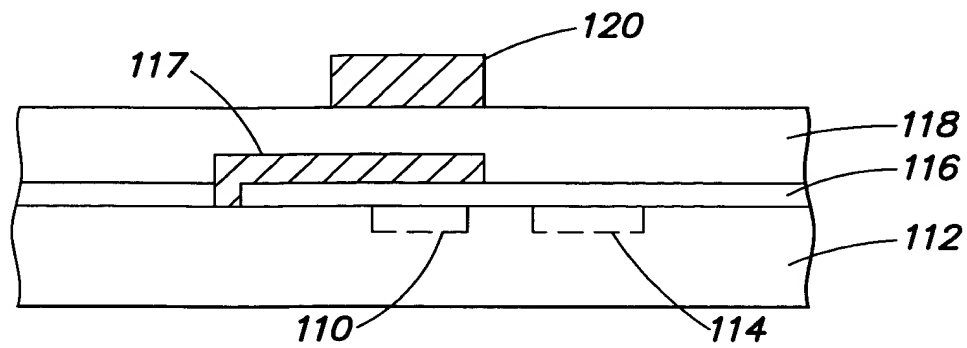

FIG. 5

A perspective view of a substrate 112. On the left, there are several parallel, U-shaped conductive strips labeled 14. To the right, there are more parallel strips labeled 132. A dashed line M indicates a cross-section through the strips. On the right side, there is a component 50, which includes a wavy line 20 and a rectangular block 40.
